

Field Trip: Camp High Trails Outdoor Science School  
 Tuesday, April 21 – Friday, April 24, 2020  
 Along with the outdoor science school staff, your child’s  
 teacher will ensure a safe and positive experience.

*Every year the 6th graders of the ESM head to the mountains near Big Bear, CA for the first big adventure of their middle school careers. Students stay in warm, cozy cabins at a residential camp in the middle of the National Forest for 4 days and 3 nights. While there, our students hike in nature, explore science phenomena, learn about environmental sustainability, build teamwork skills, and just have fun.*

Note: All students, regardless of ability to pay, are invited.

PLEASE COMPLETE THE FORM BELOW AND RETURN TO STUDENT’S HOMEROOM BY FRIDAY, SEPTEMBER 13.

### Field Trip Commitment Form: Outdoor Science School

A trip of this size requires a lot of planning! The first 110 forms received reserves a spot. After 110 forms are received, students who would like to attend will be placed on a wait list.

Receipts will be given for each donation. Our school will attend only if we can raise enough money for all 110 students to attend, so any assistance with donations and/or fundraising is appreciated (and necessary). Should we have to cancel the trip, all donations will be refunded.
